Swinburne Vietnam Alliance Program

Swinburne Vietnam Alliance Program (Swinburne Vietnam) is an international alliance between Swinburne University of Technology in Australia and FPT University in Vietnam.

Swinburne University of Technology is a prestigious university ranked 294th in the world (QS Ranking, 2026), with a history of more than 100 years since its establishment. FPT University is also one of the famous universities in Vietnam that has achieved many international certifications, such as QS Stars 3 stars (2012) and ACBSP for Business (2019).

Students studying in Vietnam will learn international and high-quality programs from highly qualified academics and have real-world industry experiences. Students can study the entire program in Vietnam or transfer to Swinburne University of Technology, and all the units studied in Vietnam will be credited when studying in Australia.Students' undergraduate degrees upon graduation will be awarded by Swinburne University of Technology as students studying in Australia.

KEY VALUES

SUCCESS

Success explaination and meaning eleborated here in 3 line

TECHNOLOGY

Technology explaination and meaning eleborated here

ACTIVE LEARNING

Active learning explain and meaning eleborated here too

INDUSTRY-LED

Industry-led explaination and meaning eleborated here
